

the tiny notebook tutorial by Pikaland

①

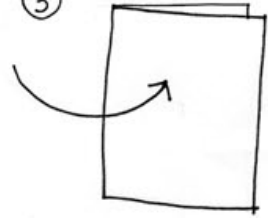

Take an A4 piece of paper (or any other size you like)

②

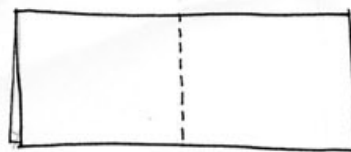

Fold it into half.

③

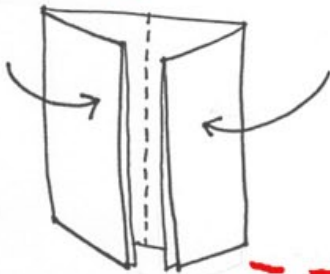

And into half again.

④

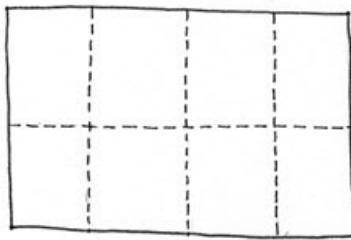

Open it up to see a crease

⑤

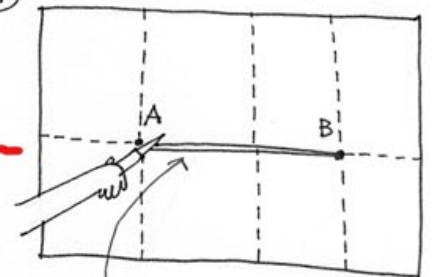

fold both ends into the centre line

⑥

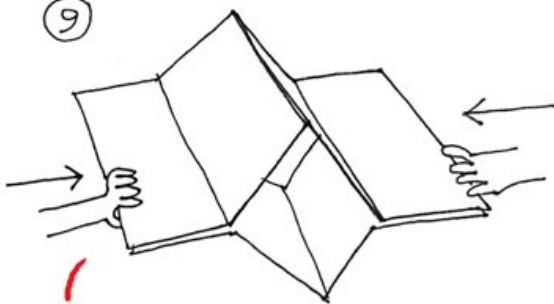

Open the paper up and you'll get creases like these

⑦

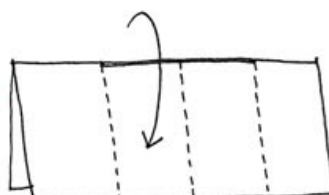

Cut a slit along point A-B.

⑨

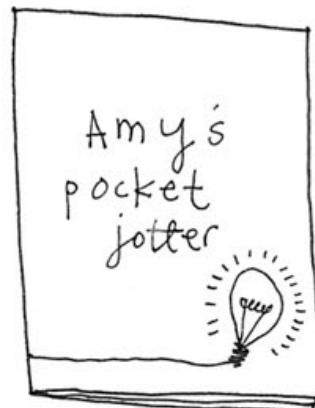

squish the ends together!

⑧

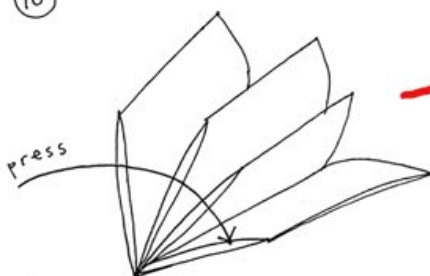

Fold it down

⑪

TA-DAAH!

⑩

..... and press down on all the pages flat.
